BRIDGE PROJECT: ONLINE TRAINING COURSE READY TO BE LAUNCHED

The Erasmus+ funded Bridge project has now entered its final stages and the consortium is pleased to announce the launch of the online training course developed within the project.

The course is divided in different lessons that cover a variety of topics: dementia and how to interact with people with dementia, serious games and their benefits for people with dementia. Inside the training course you will find a description of Bridge Project and the methodology used to create games for people with dementia. An entire lesson is dedicated to the games created within the project. For each game you will find a detailed description, a rulebook, a video-tuto-

rial and all the materials needed to play.

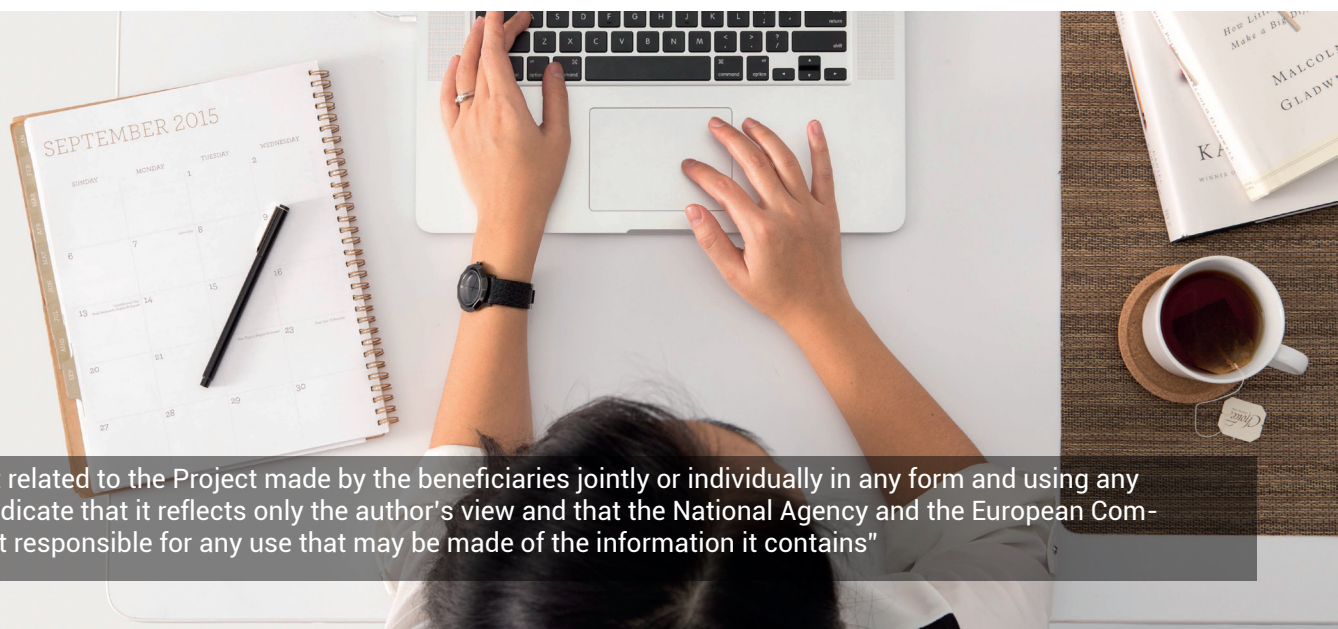

At the end of the course, that is available for free after a registration, you will have the chance to get a certificate of attendance.

The course has been developed in English, Greek, Italian and Romanian. Follow the link to access the training course: <http://bridgecourses.uowm.gr>

Visit the **project website** to find further information on the project and all the resources developed.
